MESSAGE FROM THE DEAN

Hi, I'm Dr. Jeffrey Gosper, the Dean at AHE, and I would like to extend a heartfelt welcome to all students who are beginning their courses, as well as those who are continuing their studies at AHE.

To me, education is a transformative journey that can present challenges, but also offer incredible rewards. Throughout this journey, we evolve, expanding our knowledge, honing our skills, and acquiring new attributes that ultimately prepare us to seize new career opportunities as graduates.

I firmly believe that education has the power to change lives. I have personally experienced the opportunities that a good education can provide. Through hard work during my university years, I achieved success in my first degree, which opened doors for me to pursue higher-level courses. Each of my degrees unlocked new opportunities, including some overseas experiences. Despite being born and raised in Sydney, I found myself working as a Senior Consultant for a US NASDAQ listed company in the UK, primarily involved in projects for European companies. Education, along with the ability to seize the opportunities it brings, has taken me on a remarkable journey across the globe. You too have the potential to transform your life through education. It requires commitment, and there will be moments of stress, but completing your degree is an achievement that will open new doors for you. Therefore, my advice to you is to fully embrace the opportunity that has been bestowed upon you by studying a degree at AHE.

I would also like to emphasise that every member of the AHE staff is dedicated to your success in your studies and the development of your own successful career path. One invaluable piece of advice my father imparted to me, which I have integrated into every aspect of my life, is "Don't be afraid to ask questions." By embracing this simple yet profound advice, I cultivated curiosity and nurtured deep knowledge and essential skills that paved the way for meaningful employment. Therefore, I pass on this advice to you as well: "Don't be afraid to ask questions."

Once again, on behalf of myself and the entire AHE staff, I extend the warmest of welcomes. We are thrilled to be a part of this exciting stage of your education and career journey.

Dr Jeffrey Gosper

Dean

APEX Australia Higher Education

ABOUT AHE

APEX Australia Higher Education (AHE) is a quality private Higher Education Provider located in Australia with two (2) campuses located in Parramatta, NSW and Melbourne, Victoria. Since 2022, AHE has been delivering the Bachelor of Business at its Parramatta and Melbourne Campus. Through rigorous engagement with leading academics and industry representatives, AHE continues to develop courses which ensure excellence in learning and teaching. Underpinning our approach to course design and governance are the vision and mission of AHE, which strive to deliver excellence in market leading and future-oriented educational programs.

OUR VISION

Our vision is to deliver excellence in relevant and future-oriented educational programs to produce intellectual, ethical, and socially responsible graduates who aspire towards achieving globally oriented professional careers within business.

OUR MISSION

Our mission is to maintain a sustainable academy that provides students with scholarly input and support, where ethical concepts are supported, and real-world experience is provided by ongoing interaction with practitioners.

THE AHE ADVANTAGE

With a tailored focus on social and ethical responsibility, APEX Australia Higher Education differentiates itself by providing an undergraduate course that enables students to develop the business skills likely to define modern commercial practice in a collaborative business environment.

Through consultation with leading academics and industry experts, AHE has designed a rigorous course oriented towards equipping students with the knowledge and practical skill sets to identify, understand, manage, and successfully work in businesses. AHE's approach to teaching and the learning outcomes achieved by students undertaking the Bachelor of Business allow our graduates to add real commercial value to their organisations, be that an established company or start-up.

'Our aim is to produce students who are job-ready and equipped with a unique understanding of the global commercial marketplace'.

We achieve this outcome by engaging our students to apply theory to practice from the earliest stages of their degree. AHE places significant emphasis on student interaction and practical assessment, which has informed our approach of integrating contemporary case studies into assessments. To further ensure that our students gain insight into commercial realities, we regularly invite successful businesses to AHE for lectures, provide students with compulsory Work Ready Workshops to prepare themselves for a professional career in Business and enabling them with opportunities to volunteer in local businesses.

Our Melbourne Campus is located in the Melbourne CBD, right in the middle of Melbourne's education district.

Both campuses offer students exceptional amenities and provides students with study and collaborative work areas. Additionally, our campuses have networking and student common areas which create a welcome and stimulating environment for students. These facilities and services include:

- Campus-wide Wi-Fi.
- Study and lecture rooms equipped with whiteboards and audio-visual equipment.
- Open plan areas for student relaxation.
- Dedicated space for the library.
- Student study room.
- Kitchen and food heating facilities.
- Multiple charging stations for laptops and mobile devices.

The Parramatta campus is located within a 10-minute walk to Parramatta station and major bus terminals while the Melbourne Campus is also a 10-minute walk from the Melbourne Central Station.

LIBRARY AND LEARNING AREAS

Both AHE campuses have several learning areas, and these facilities provide students space to study, collaborate, and socialise. Students have access to the meeting room, which can be booked through either the Librarian/Learning Support Officer or at the reception. The outdoor student lounge provides students with a large area to relax, study or socialise.

Students can access computers in the learning area during campus hours to complete assessments or to prepare for class.

Students can access the library and learning centre from 8.00am to 5.00pm Monday to Friday. The library and learning centre is also open till 9.00pm if evening classes are held and during the weekend if classes are held. AHE provides access to an e-book database known as Perlego. Specific computers on-campus have been setup to allow access to this e-library. Students are expected to purchase their own copies of the key textbooks used throughout their course.

AHE also provide access to an e-journal database known as EBSCO. The database provides a resource that students use to find out the latest developments in the field of Information Technology and Information Systems.

IT REQUIREMENTS AT AHE

AHE will provide AHE students with free access to the Internet and WiFi. All AHE students are expected to have their own laptops and bring their laptops to campus to access supplementary learning materials provided through Moodle and complete their assessments. Students will be given their own college email which they can use to access Office365 online.

Students can use available AHE equipment on campus to access library resources and complete their assessments.

UNIT OUTLINES AND ASSESSMENTS

Each **Unit Outline** should advise students at the beginning of a unit of study about how all assessment results are to be combined to produce an overall mark for the unit. The **Unit Outline** should inform students about:

- The weight of each task in contributing to the overall mark.
- The formulae or rules used to determine the overall mark.
- Minimum standards that are applied to specific assessment tasks, and the consequences if such standards are not met (including failure to submit tasks).
- Rules regarding penalties applied to late submissions, and
- Precise details of what is expected in terms of presentation of work for assessment.

The **Unit Outline** should also make clear to students that the aggregated mark for the unit of study may be moderated. Moderation may result, in some cases, in a variation of the final grade awarded to the student for the unit of study which is inconsistent with the individual marks awarded to the student for individual assessment items.

The **Unit Outline** should also emphasise appropriate referencing conventions and requirements, the degree of cooperation permitted between students, and what constitutes academic dishonesty and its consequences as outlined in the [Student Academic Misconduct Policy and Procedure](#).

SUBMISSION OF ASSESSMENT ITEMS

Students are required to submit assessment items at the time and date specified in the **Unit Outline**. Assessment items submitted after the due date will be subject to a penalty unless the student has been given prior approval in writing for an extension of time to submit that item.

Assessments should be submitted in the form specified in the **Unit Outline**. Where assessment items are submitted electronically, the date and time the email was received will be considered the date and time of submission. Physical submissions are to be time and date stamped as a record of receipt.

PENALTIES FOR LATE SUBMISSION

An assessment item submitted after the assessment due date, without an approved extension or without approved mitigating circumstance, will be penalised. The standard penalty is the reduction of the mark allocated to the assessment item by 10% of the total mark applicable for the assessment item, for each day or part day that the item is late (a 'day' for this purpose is defined as any day on which campus administration is open). Assessment items submitted more than ten days after the assessment due date are awarded zero marks.

Extensions to assignment deadlines based on mitigating circumstances shall be at the discretion of the Course Coordinator and must be granted in writing. Mitigating circumstances are circumstances outside of the student's control that have had an adverse effect on the student's work or ability to work.

SPECIAL CONSIDERATION

Students whose ability to submit or attend an assessment item is affected by sickness, misadventure, or other circumstances beyond their control, may be eligible for special consideration. No consideration is given when the condition or event is unrelated to the student's performance in a component of the assessment, or when it is considered not to be serious.

Students must apply in writing to the Course Coordinator for special consideration within three days of the due date of the assessment item or exam using the **Request for Special Consideration Form**. The student must submit all relevant evidence required to support their Request. **NB: Normally, medical document/certificates issued by offshore doctors will not be acceptable as evidence.**

When considering the application for special consideration, the Course Coordinator considers the seriousness of the events and the impact on the student's academic performance.

ASSESSMENT FEEDBACK TO STUDENTS

To provide feedback on assessments that assist students to achieve the learning outcomes, AHE will ensure that students are provided feedback from the markers within two (2) weeks of the submission of the assessment, except for the final exam. This is to enable students to understand the reason for their results.

In the case of final exams, students will be offered a "script review" period during which students can obtain individual feedback on the exam.

REASONABLE ADJUSTMENT

Students with special needs may request reasonable adjustment to assessment conditions to accommodate their needs. Adjustments to assessment must consider the special characteristics of the student. Any adjustments made must be 'reasonable' so that they do not impose an unjustifiable hardship upon AHE. In accordance with the [Diversity, Non-Discrimination and Equity Framework](#), AHE ensures that people are treated fairly and have equal access to services.

A request for reasonable adjustment is to be made by the student in writing to the Lecturer for the unit of study affected at least 2 weeks before the assessment is due.

Making a reasonable adjustment will involve varying the procedures for conducting an assessment, for example:

- Allowing additional time for the completion of an assessment.
- Extending deadlines for an assessment.
- Varying question and response modalities for an assessment.
- Providing or allowing additional resources in examinations.

If a student with special needs does not feel that their needs have been sufficiently accommodated, they may refer to the [Student Grievance, Complaint and Appeal Policy and Procedure](#) to communicate their grievance, and if unsuccessfully resolved, commence a formal complaint process.

REQUIREMENTS FOR SUCCESSFUL COMPLETION OF A UNIT OF STUDY

Students must attempt all assessment tasks and achieve at least 50% of the total marks for the unit of study to pass the unit. Students must achieve a mark of at least 40% overall in their supervised assessment(s).

Students who achieve at least 50% of the total marks for the unit but fail to achieve at least 40% in their final assessment will be given an opportunity to re-sit their final assessment as in a supplementary final exam. If the student obtains at least 40% in their supplementary final exam, the maximum grade awarded for that unit will be a **pass (P) grade**.

RESUBMISSION

Where a student has completed all assessment tasks and marginally fails a unit of study (i.e., has achieved a score of 46-49%) the Course Coordinator may recommend **to the Results and Review Committee** that the student be offered the option of completing additional assessable work which, if completed at the prescribed standard, will result in the student passing the unit. The grade awarded after the additional assessment is finalised is limited to Pass (P) or Fail Outright (FO). If the student does not take up the opportunity to complete additional assessment work, the grade remains as an FO.

GRADES

During each unit of study, students will be provided with an evaluation of their individual performance with reference to the criteria for each assessment task.

Student performance in individual units of study (i.e., the weighted total of the assessments) shall be graded in accordance with the following guidelines:

- That the student believes that an error has occurred in the calculation of the grade; and /or
- A demonstration that the assessment decision is inconsistent with the published assessment requirements or assessment criteria.

FULL POLICY

For further information, please refer to the [Student Assessment Policy and Procedure](#) on the AHE Website.

ESOS FRAMEWORK

The [Education Services for Overseas Students Act 2000](#), or ESOS Act, establishes legislative requirements and standards for the quality assurance of education and training institutions offering courses to international students who are in Australia on a student visa. ESOS also provides tuition fee protection for international students. Click on the link for further information on the [ESOS Framework](#).

The [National Code of Practice for Providers of Education and Training to Overseas Students 2018](#) (National Code 2018) sets nationally consistent standards for the delivery of courses to overseas students. The National Code 2018 commenced on 1 January 2018.

NATIONAL STUDENT OMBUDSMAN (NSO)

The [National Student Ombudsman](#) (NSO) is a free and independent service for both domestic and international higher education students.

The NSO handles complaints from higher education students on a range of issues, including student safety and welfare, racism, gender-based violence, course administration, teaching provisions and facilities, disciplinary processes, and reasonable adjustments. It provides accessible, safe and confidential services, offering multiple channels for submitting a complaint, including an anonymous report option.

The NSO can accept complaints from international higher education students, both onshore and offshore. This includes, for example, former international students, international students who have or are attempting to apply or enrol, and students studying at overseas campuses of a registered Australian higher education provider.

COMMONWEALTH OMBUDSMAN

The Commonwealth Ombudsman investigates complaints about problems that overseas students have with private education and training in Australia.

The Commonwealth Ombudsman does not take complaints about public universities.

AHE is a private education provider, so in the event that you are not satisfied with the AHE's internal procedures for handling a grievance or an issue you have raised, and you wish to complain about this to someone outside of the AHE, the Commonwealth Ombudsman is the correct channel for this to occur.

You can access the [contact page](#) on the Commonwealth Ombudsman's website for more information.

The [Commonwealth Ombudsman](#) can be reached on 1300 362 072 and phone service is available Monday to Friday from 10.00am to 4.00pm AEST.

Complaints can also be lodged using the [online form](#) or, sending your enquiry to:

Commonwealth Ombudsman
GPO Box 442
Canberra ACT 2601.

The Commonwealth Ombudsman investigates complaints about:

- Refusing admission to a course.
- Fees and refunds.
- Course or provider transfers.

- Course progress or attendance.
- Cancellation of enrolment.
- Accommodation or work arranged by a provider.
- A provider not doing something or taking too long to do something.
- Incorrect advice given by an education agent who has an agreement with a private provider.

The Commonwealth Ombudsman treats all information with privacy and respect.

The Commonwealth Ombudsman cannot make decisions about academic merit. For example, if a provider has decided that a student has not met the course progress or attendance requirements, the Commonwealth Ombudsman cannot make a new decision about this. Instead, the Commonwealth Ombudsman may look at whether the education provider followed the rules properly in making its decision and that the student was treated fairly.

In some cases, the Commonwealth Ombudsman may decide not to investigate a complaint. This might be because:

- A student has not complained to the education provider first.
- Another organisation is better able to help.

The Commonwealth Ombudsman's service is independent, free and confidential.

AHE will implement decisions and recommendations from the *Commonwealth Ombudsman* and the CEO will ensure that any recommendations made are implemented immediately after receipt of such recommendations.

Note: Complaints or grievances related to academic merits are not dealt by Commonwealth Ombudsman.

PRIVACY OF INFORMATION

AHE will only collect personal information from individuals by fair and lawful means which is necessary for the functions of AHE. AHE will only collect sensitive information with the consent of the individual and if that information is reasonable and necessary for the functions of AHE. When collecting personal information, AHE will comply with the requirements of the [Australian Privacy Principles](#) (APPs) set out in the [Privacy Act 1988](#) (Cth) as amended by the [Privacy Amendment \(Enhancing Privacy Protection\) Act 2012](#).

- b. Credit will be granted for those units of study already undertaken which form part of the Course at AHE to which the student is transferring.
- c. The maximum credit that can be granted in these circumstances is not limited.

APPLICATION FOR CREDIT

An application for credit for prior learning must be made on the appropriate form at the time the student applies for admission to AHE. No credit can be applied for after a student starts their course at AHE. Please refer to the [Credit for Prior Learning Application Form](#). The application should be accompanied by sufficient documentary evidence to support the application.

AHE reserves the right to refuse an application for credit for prior learning after the second week of classes that the new student is undertaking.

FULL POLICY

For further information, please refer to the [Credit for Recognition of Prior Learning Policy and Procedure](#) on the AHE Website.

TRANSFER BETWEEN PROVIDERS

AHE will not knowingly enrol a student wishing to transfer from another Higher Education Provider (HEP)'s course prior to the international student completing (6) six months of his or her principal course unless one or more of the following conditions apply:

- The releasing HEP or the course in which the student is enrolled has ceased to be registered, OR
- The releasing HEP has had a sanction imposed on its registration by the ESOS agency that prevents the student from continuing his or her principal course at that HEP, OR
- The releasing HEP has agreed to the international student's release and recorded the date of effect and reason for release in PRISMS, OR
- Any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change.

For **AHE students seeking to transfer to another HEP's** course of study prior to completing six (6) months of their principal course, the transfer request **will be assessed and granted in any of the following circumstances:**

- The student will be reported because they are unable to achieve satisfactory course progress at the level they are studying, even after engaging with AHE's intervention strategy.
- There is evidence of compassionate or compelling circumstances which could include serious illness or injury, bereavement of close family members, major political upheaval or natural disaster, a traumatic experience, where the registered provider was unable to offer a pre-requisite unit.
- Failure to deliver the course as outlined in the student's Letter of Offer and Agreement
- There is evidence that the student's reasonable expectations about their current course are not being met.
- There is evidence that the student was misled by AHE or an education or migration agent regarding AHE, or its course and the course is therefore unsuitable to their needs and/or study objectives.
- An appeal (internal or external) on another matter results in a decision or recommendation to release the student.
- A transfer to another registered provider **will not be granted where:**
 - The student has recently started studying the course and the full range of support services are yet to be provided or offered to the student.
 - The student is trying to avoid being reported to Department of Home Affairs (DHA) for failure to meet the provider's academic progress requirements.
 - There are no legitimate compassionate or compelling circumstances.
- In order for a request for transfer to be considered and release provided, students must provide a valid offer of enrolment from another Registered Provider.
- If the release is granted, there will be no cost to the student.
- The outcome of the student's application for course transfer will be provided in writing within ten (10) working days of receipt of application.
- All decisions made by AHE with regard to student transfer requests will be made in accordance with the policy and procedure, will be fair and take into account the student's individual circumstances and any other relevant factors.

FULL POLICY

For further information, please refer to the [Student Transfer Request Policy and Procedure](#) on the AHE Website.

ATTENDANCE REQUIREMENTS

Students can gain advice and support to ensure they achieve appropriate academic progression, attendance, and general support to ensure they achieve satisfactory results in their studies.

All students' progress and attendance are monitored. Student attendance is taken by each lecturer for every face-to-face lecture/tutorial/seminar taught and this is recorded in the learning management system. The information is used by the Course Coordinator to trigger relevant student support for those students who are identified as having low attendance.

Guidance and support will be provided by AHE for issues identified in accordance with the **Student Academic Progression Policy and Procedure**, as low attendance is correlated with issues such as unsatisfactory academic results, poor course progression, or low levels of academic literacy and English language proficiency.

FULL POLICY

For further information, please refer to the [Student Academic and Non-Academic Support Policy and Procedure](#) and the [Student Academic Progression Policy and Procedure](#) on the AHE Website.

ACADEMIC PROGRESS AND STUDENTS AT RISK

SATISFACTORY ACADEMIC PROGRESSION CRITERIA

All students need to achieve Satisfactory Academic Progression.

A student will achieve satisfactory academic progression each study period when the student meets the **Minimum Academic Standards**. A student has achieved **Minimum Academic Standards** in a study period when the student:

- a) Achieved a minimum passing grade for at least 50% of the units attempted in a semester; and/or
- b) Did not receive a failing grade for a unit attempted the second time.

A student that does not achieve Satisfactory Academic Progression includes:

- A 'Student at Risk (SAR)' or
- A student that falls into the criteria of 'Unsatisfactory academic progress'.

STUDENT AT RISK (SAR) CRITERIA

A student will be a Student at Risk if one or more of the following criteria apply:

- c) The student did not meet the Minimum Academic Standards.
- d) Students who are not progressing in their course at a satisfactory rate will be placed under an Intervention Contract. An Intervention Contract is similar to a SARAS Agreement; however, it may establish additional criteria beyond those used in SARAS Agreements, which may include compelling students to study in the summer semester (assuming suitable units are available).
- e) For domestic students only, the student demonstrates that the progress made in the student's course to date may not allow completion of the course in the maximum time allowed for that course.
- f) For overseas students only, the student demonstrates that the progress made in the student's course to date may not allow completion of the course requirements in the expected duration for that course (as stated in the students Confirmation of Enrolment).
- g) For overseas students only, the student is at risk of not meeting progress requirements under the ESOS Act 2000 or under other regulations that affect eligibility for an Australian student visa; or
- h) The student was previously a Student at Risk with a Student at Risk Academic Support (SARAS) Agreement, and in the subsequent semester during which the SARAS Agreement applied, the student:

- Met the Minimum Academic Standards; but
- Did not satisfy one or more of the other conditions of the SARAS Agreement.

UNSATISFACTORY ACADEMIC PROGRESS

A student will have made unsatisfactory academic progress if one or more of the following criteria applies:

- The student does not meet the Minimum Academic Standards as a condition of the SARAS Agreement or Intervention Contract.
- For domestic students only, the student demonstrates that the progress made in the student's course to date will not allow completion of the course in the maximum time allowed for that course (including any extension of time granted).
- For overseas students only, the student demonstrates that the progress made in the student's course to date will not allow completion of the course requirements in the expected duration for that course (as stated in the eCoE).
- For overseas students only, the student has failed to meet progress requirements under the ESOS Act 2000 or under other regulations that affect eligibility for an Australian student visa, or
- The student is in breach of academic integrity and /or academic misconduct under the [Student Academic Misconduct Policy and Procedure](#) and/or [Student Code of Conduct](#).

OVERSEAS STUDENT UNSATISFACTORY ACADEMIC PROGRESS

- An overseas student that has made unsatisfactory academic progress will be in breach of their student visa. The student will have their enrolment terminated (the eCoE will be cancelled) and may be reported to the Department of Education, Skills and Employment in PRISMS by the Dean.
- Within seven (7) days of the release of results for the semester, the Registrar will email **Unsatisfactory Academic Progress letter** to the student.
- The student will be advised in writing of the decision to terminate the student's enrolment (cancel the eCoE).
- AHE's intention to report the student to the Department of Home Affairs in PRISMS for unsatisfactory academic progress.
- The student's responsibility to contact the Department of Home Affairs (DHA) for advice on any potential impacts on their visa.
- The reason for AHE's decision, including how the student has demonstrated unsatisfactory academic progress.
- The student's right to access the **Student Grievance, Complaint and Appeal Policy and Procedure** to appeal the decision within twenty (20) working days; and
- The external appeal rights available to the student.

FULL POLICY

ACADEMIC MISCONDUCT

PRINCIPLES OF STUDENT ACADEMIC CONDUCT AT AHE

Academic integrity is the foundation of academic endeavour. Students of AHE should conduct themselves in their academic studies honestly, legally, fairly, and ethically. Students are expected to carefully acknowledge the work of others in all their academic activities.

ACADEMIC MISCONDUCT

Academic misconduct involves illegal activities, cheating, collusion, plagiarism, or any other conduct that deliberately or inadvertently claims ownership of an idea or concept without acknowledging the source of the information. This includes any form of activity that negates the academic integrity of the student, another student, or their work.

All written assessments will be submitted to plagiarism prevention software 'Turnitin'. To ensure that students uphold their Academic Conduct obligations, AHE will provide specialised tutorials on academic integrity, referencing techniques and the acceptable use of Generative AI software as per AHE's guidelines for best practice.

These tutorials will be regularly delivered by AHE's Academic Support Advisors, both at student orientation and throughout the course of study. Additional resources are available for students online and accessible for the duration of their studies.

FULL POLICY

For further information, please refer to the [Student Academic Misconduct Policy and Procedure](#) on the AHE Website.

OVERSEAS STUDENT VISA OBLIGATIONS

- International student visa holders must maintain their course progress as required by the [Student Academic Progression Policy and Procedure](#).
- AHE expects all its students to attend all of the scheduled classes to progress well in their courses.
- Students must notify AHE if they change their contact details (residential address, **email address and phone number**). They must also notify them of their emergency contact details.
- As outlined on the Australian Government [Department of Home Affairs](#) website, holders of an international student visa are permitted to work a maximum of **forty (40) hours** per fortnight.
- Students must be enrolled in full-time study with the provider.
- Students must have Overseas Student Health Cover (OSHC) throughout the term of their student visa.
- Students are responsible for renewing their visa prior to its expiry.
- For further information, go to:
 - The Department of Home Affairs [website](#)
- The Department's phone number is:
 - In Australia – 131 881
 - Outside Australia – +61 2 6196 0196.

CHANGE OF PERSONAL AND EMERGENCY CONTACT DETAILS

A student or intending student must inform AHE of a change of address, telephone number, email address, and who to contact in emergency situations. Students need to inform AHE of this change within seven (7) days to ensure compliance with their student visa conditions.

LEARNING MANAGEMENT SYSTEM – MOODLE

AHE is committed to ensuring that students meet their learning potential. To aid them in reaching this potential, it is important that students have immediate access to resources and support relevant to their course, be that: a course outline, a reading, lecture slides, videos, support documents, external links, or discussion board. A learning management system (LMS) is the ideal tool to support students to this desired end.

Students will be taught how to use the Moodle system by library staff in the coming days. It is essential that students familiarise themselves with the system, as Moodle will be used:

- By lecturer to upload course material (this may include recorded lectures).
- By students to submit assessments.
- As a tool for lecturers and students to communicate with one another.

Direct access to Moodle is available via the student portal on the AHE website [here](#).

Alternatively, AHE's Moodle can be accessed through the Moodle mobile application, which is available for free from both iOS and Google Play app stores.

If you do not have access to the portal, it is important that you resolve this issue as soon as practical, with AHE directly.

UNIQUE STUDENT IDENTIFIER NUMBER

A Unique Student Identifier (USI) is your lifelong education number. If you are undertaking nationally recognised training or studying at a tertiary institution, you need a USI.

- If you intend to graduate in 2023 or beyond, you need a USI to get your degree.
- As it is your personal education number, you should set up your USI using a personal email address. It should not be a shared or work email address.
- If you began any Vocational Education and Training (VET) after 2015, you will already have a USI and do not need another one if you intend to study in a university or with any HEP. You can find your [USI](#) now or call 1300 857 536 for help.

SUPPORT FOR ABORIGINAL AND TORRES STRAITS ISLANDER STUDENT AT AHE

AHE provides additional assistance and support to all Aboriginal and Torres Strait Islander students throughout their journey at AHE by ensuring each student is mentored by a Student Services Officer (SSO) throughout their study at AHE with regular face-to-face support meetings. If an Aboriginal and Torres Strait Islander student is a Student at Risk, the mentorship with the SSO will be reviewed and considered in the SARAS Agreement.

Student Services Officers and Admissions Officers can also offer support in areas including, but not limited to:

- Enrolment and admission assistance and priority,

A Respondent student may appeal against a decision made under the **Student Code of Conduct**. The grounds for appeal are that the decision is inconsistent with the **Student Code of Conduct**.

Appeals must be made in writing and lodged with the Dean within twenty working days of the student receiving written notification of any disciplinary action taken under this policy. The Dean will respond in writing to the appeal within twenty working days and may confirm or vary the decision.

If a student remains dissatisfied with the outcome of their appeal, they may appeal under the **Student Grievance, Complaint and Appeal Policy and Procedure**.

FULL POLICY

GRIEVANCES, COMPLAINTS AND APPEALS

AHE is committed to developing a culture that views grievances as an opportunity for improvement. A grievance can be defined as a person's dissatisfaction with any aspect of AHE's services or activities.

A grievance becomes a complaint only when a student takes further action in the form of an informal complaint or a formal complaint to AHE.

Grievances include both academic and non-academic matters, such as:

- The enrolment, induction/orientation process.
- The quality of the education provided.
- Academic issues, including student progress, assessment, curriculum, and awards in a course of study.
- Handling of the personal information and access to personal records.
- The way someone has been treated.

AHE responds to any complaint or appeal the overseas student makes involving the dealing or conduct of any of the below:

- AHE, including its teachers and other staff.
- Any third party providing any Course or Services on behalf of AHE.
- AHE's education agents.
- Any student or client of AHE.

PROCESS FOR MAKING COMPLAINTS AND RESPONSIBILITIES

Step 1: Optional Informal Complaint

Any student or potential student may raise an informal complaint by contacting the Registrar in person, by email admin.he@apexaustralia.edu.au or by calling 02 – 8007 6262.

Step 2: Formal Complaint

This can be utilised by Complainants to submit a Formal Complaint of an academic or non-academic nature. Complaints of an academic nature include issues related to any issue related to a student's study or course, including but not limited to student progress, any marks or grades received for assessment, curriculum, and awards in a course of study.

Formal Complaints must be submitted in writing using **Complaints and Appeals Form** and submitted to the Registrar in person or emailed to admin.he@apexaustralia.edu.au

Step 3: Internal appeal

If a Complainant is dissatisfied with the outcome of their Formal Complaint, they may lodge an appeal within twenty working days of receiving notification of the outcome of their Formal Complaint.

Consultation with the Complainant and other relevant parties within ten working days will be carried out.

Where possible such consultations should take the form of face-to-face interviews. The Complainant or the Respondent may ask, if they feel necessary, another person of their choice to accompany or assist them as a support person at any relevant meetings scheduled to resolve the issue.

Following the consultation, written response to the Complainant advising the further steps taken to address the appeal, including the reasons for the decision, will be provided within ten working days. The report will further advise the Complainant of their right to access the external appeals process if they are not satisfied with the outcome of their internal appeal.

Step 4: External Mediation (optional)

If the Complainant is not satisfied with the outcome of the internal appeal, then the student may choose to access an independent mediator to mediate a satisfactory outcome between them and AHE.

This may be requested through the [Resolution Institute Student Mediation Scheme](#).

It is not compulsory that a complainant access this Student Mediation Scheme. The complainant may choose to go straight to Step 5.

Step 5: External Appeal International Students (non-academic matters)

If the Complainant is dissatisfied with the outcome of their appeal and they are an overseas student, then they may lodge an external appeal by contacting the **Overseas Students Ombudsman**. The **Overseas Students Ombudsman** offers a free and independent service for overseas students who have a complaint or want to lodge an external appeal about a decision made by their provider. Refer to:

You can access the [contact page](#) on the Commonwealth Ombudsman's website for more information.

The [Commonwealth Ombudsman](#) can be reached on 1300 362 072 and phone service is available Monday to Friday from 10.00am to 4.00pm AEST.

Complaints can also be lodged using the [online form](#) or, sending your enquiry to

Commonwealth Ombudsman
GPO Box 442
Canberra ACT 2601.

AHE agrees to be bound by any recommendations from the Overseas Students Ombudsman and the CEO will immediately implement actions related to decisions that support the student and/or preventive actions required.

AHE will advise the overseas student in writing of that action and keep a copy of the complaint and supporting documents in the Complaints file and in the student file (where relevant).

Step 6: Further action

If a grievance remains unresolved after the external dispute resolution process, the Complainant may decide to refer the matter to an external agency in Australia such as The Anti-Discrimination Board or The Office of Fair Trading or Tertiary Education Quality and Standards Agency (TEQSA).

Nothing limits the rights of individuals to take action under Australia's Consumer Protection laws. Also, these procedures do not restrict an individual's rights to pursue other legal remedies.

FULL POLICY

For further information, please refer to the [Student Grievance, Complaint and Appeal Policy and Procedure](#) on the AHE Website.

4. CEO or the Dean to report the matter to the Board of Directors (BoD) immediately if urgent or report it at the next BoD meeting and activate aspects of the Business Continuity Plan (BCP).

Emergency Critical Incidents involve the possibility of immediate or imminent threat to staff and/or students and may require an immediate response.

Non-Emergency Critical Incidents do not involve the need for an initial emergency response (for example the development of a pandemic from a lower phase). In such cases the government instructions will need to be followed.

REPORTING A CRITICAL INCIDENT

In the case of a critical incident, it is important that you seek support and report this incident to a student services officer or any key AHE staff.

You must give full details of the situation including the exact location of the incident, the type of incident and details of any person or persons who may be injured, in distress or at risk.

Students can also report a critical incident to student support staff via email to admin.he@apexaustralia.edu.au

RESPONDING TO A CRITICAL INCIDENT

The **CEO** will immediately assess the critical incident. If unavailable, the Registrar or the Dean is delegated to respond.

The CEO will arrange to offer immediate assistance to persons involved in the incident, any evacuation procedures required, and/or provision of first aid or medical assistance as needed.

Get in touch with Emergency services and ensure that all details known about the incident are provided.
Develop and implement an AHE Critical Incident Action Plan.

The **CEO** will, in the case of death of the student, put a stop on the student's record and enrolment and confirm access to Emergency funds at AHE if necessary.

STUDENT SUPPORT AT AHE

OVERVIEW

AHE understands that adjusting to life in a new country and meeting academic requirements may be more difficult for some students than others. Accordingly, AHE is committed to ensuring that our students are actively supported – both personally and academically.

ACADEMICS

Teaching Staff

All teaching staff will make themselves available for one hour per week for each unit of study they are teaching in order to allow students to consult on issues related specifically to those units of study. The consultation hours for the teacher will be specified in the Unit Outline.

Course Coordinators can assist where students have concerns with their attendance, academic performance or other related issues that are placing them at risk of not achieving the requirements of their course. All students are able to gain advice and support in ensuring they maintain appropriate academic levels, attendance levels, and general support to ensure they achieve satisfactory results in their studies. All students are monitored in accordance with the **Student Academic Progression Procedure** in order to identify student-specific issues.

Non-Teaching Staff

The CEO, Dean and other non-academic AHE staff are available for student consultation by appointment.

Support for developing academic skills is available through the Academic Support Advisors. All students are enrolled in the JUMP ('Journey Upward; Make Progress') unit, which features a suite of academic study skills and English language resources that students can access for the duration of their studies.

Through JUMP, students are also able to book individual academic study support consultations with the Head of Academic Learning Support and Academic Support Advisors. These consultations are available at both Sydney and Melbourne campuses and are offered both face-to-face and via Zoom.

Alternatively, students are able to receive email support for feedback and advice on their assignment drafts and to ask any questions relating to their academic study skills and/or English language proficiency. Students should note that this assistance does not include editing or proofreading assignment drafts.

NON-ACADEMIC SUPPORT

While all staff employed by AHE has the responsibility to provide support to students, AHE shall nominate a dedicated Student Support Officer who will be available to all students, on an appointment basis, during AHE's hours of operation.

Students may access the Student Support Officer (SSO) directly or via the Administration desk to organise an appointment. Details of the SSO including name, location and how to contact them will be posted on Student Notice boards and on the Student Portal.

The Student Support Officer ensures up-to-date information is available for student support services and that any contacts provided are current. This information is given to students as part of the student Orientation program outlined below.

STUDENT SUPPORT SERVICES

The following support services are available and accessible for all students studying with AHE. Details of the Student Support Officer (SSO) including name, location and how to contact them will be posted on Student Notice boards and on the Student Portal, in addition to being detailed on the following page. The SSO will be responsible for maintaining a list of support services, including the details, on the Student Notice boards and the Student Portal.

AHE will provide students with details if there is a need to refer any matters for further follow up with relevant professionals. Students will be advised of any fees and charges for an external service prior to using such services.

PERSONAL / SOCIAL ISSUES

There are many issues that may affect a student's social or personal life and students have access to the SSO during AHE's hours of operation to gain advice and guidance on personal, accommodation, or family / friend issues. Where the SSO feels further support may be required, a referral to an appropriate support service will be organised.

ACCESS TO EXTERNAL COUNSELLING SERVICE

The SSO is able to assist in times of stress or pressure during the course. Students may make an appointment to see the SSO or a member of AHE's staff for advice relating to study, such as:

- Time management issues.
- Setting and achieving learning goals.
- Motivation.
- Ways of learning.
- Managing assessment tasks.
- Self-care.

If the need for additional counselling services arises, the SSO has the contact details of AHE's external counselling services. AHE has formed an agreement with an external counselling service where AHE students and staff can receive the first two counselling sessions free of charge.

Accommodation (international students)

AHE does not offer accommodation services or take any responsibility for accommodation arrangements but can refer students to appropriate accommodation services. All international students are encouraged to have accommodation organised prior to arrival in Australia.

Accommodation – External Links

When choosing accommodation, the most important thing is to feel secure and happy, so you can focus on your studies and enjoy life. It is a good idea to research all your options before making a decision. The breakdown of accommodation costs is provided above.

You can rent a house or apartment from a real estate agent or a private landlord. For a listing of real estate agents, visit:

You can also search for **Youth Hostels**:

Youth Hostels in Sydney and NSW offer cheap, short-term accommodation. Most have a mix of private rooms and dormitory accommodation.

For more information visit: [YHA Australia](#) or [Getaroom](#).

SPECIAL NEEDS

A student is requested to advise their Course Coordinator of any disabilities that may affect their learning, e.g., difficulty in hearing. The SSO is available to provide advice to students and to consult with the Course Coordinator regarding any necessary adjustment for accommodating these Special Needs. The student will be required to fill out the **Request for Support for Special Needs Form**.

HARDSHIP

The requirements of study may present some students with hardship due to economic, social or other difficulties. An international student who is an applicant under this category must still meet the requirements of the relevant regulations affecting their individual student visas.

Where genuine hardship exists, a student may make application seeking permission to review their workload or other related matters. To make an application, a student is required to provide a letter to the SSO describing the reason for their hardship. It is essential to include evidence supporting a claim of hardship, for example:

- Financial hardship: Government benefit statements, pay slips or bank statements which indicate financial status.
- Medical grounds: Medical certificates stating nature of condition, duration.
- Single parent: Evidence by way of statutory declaration and supporting government documentation.

FULL POLICY

For further information, please refer to the [Student Academic and Non-Academic Support Policy and Procedure](#) at the AHE Website.

FEEDBACK

AHE is steadfast in its commitment to seek out opportunities to improve the student experience. Accordingly, students will be invited to provide feedback through the Moodle system for each unit of study they undertake.

The feedback survey provides students with the opportunity to identify what was done well in the subject, as well as what could be improved. Feedback is anonymous and provides lecturers an invaluable opportunity to reflect on their approach to teaching.

We also encourage students to provide general feedback about AHE. All feedback is collected anonymously.

LEGAL SUPPORT INFORMATION

The legal system in Australia can be new to many students and it is important to understand student rights and obligations, both as a student and as a resident of Australia. AHE cannot provide legal advice but is able to assist with general information about how to find legal information or where to look for legal advice.

AHE's **Student Support Officer** is able to assist with these matters. Students can contact various legal services available in Australia.

Students who require assistance in legal matters free of cost may contact NSW Legal Aid.

LIFE IN AUSTRALIA

OVERVIEW

Australia is the largest country in Oceania and the world's sixth-largest country by total area. The population of 25 million is highly urbanised and heavily concentrated on the eastern seaboard. Australia's capital is Canberra, and its largest city is Sydney. The country's other major metropolitan areas are Melbourne, Brisbane, Perth, and Adelaide.

Australia's first inhabitants were the Aboriginal and Torres Strait Islander peoples, whose unique culture and traditions are among the oldest in the world. The first migrants were mostly from Britain and Ireland and this Anglo-Celtic heritage has been a significant and continuing influence on Australia's history, culture, and political traditions. Subsequent immigration waves have brought people from Africa, Asia, the Americas, and Europe, all of whom have made their own unique contributions to Australia and its way of life.

When living in Australia, it is important that you respect Australian values and obey the laws of Australia.

Australian values include:

- Respect for equal worth, and the dignity and freedom of the individual.
- Freedom of speech.
- Freedom of religion and secular government.
- Freedom of association.
- Equality of men and women.
- Equality of opportunity.
- Peacefulness.
- A spirit of egalitarianism that embraces tolerance, mutual respect, and compassion for those in need.

One of the defining features of Australian society today is the cultural diversity of its people and the extent to which they are united by an overriding and unifying commitment to Australia.

Another defining feature is the egalitarian nature of Australian society. This does not mean that everyone is the same, or that everybody has equal wealth or property. It means that with hard work and commitment, people without high-level connections or influential patrons can succeed.

Within the framework of Australia's laws, all people living in Australia are able to express their culture and beliefs and to participate freely in Australia's national life. Australia holds firmly to the belief that no-one should be disadvantaged on the basis of their country of birth, cultural heritage, language, gender or religious belief.

In order to maintain a stable, peaceful and prosperous community, Australians of all backgrounds are expected to uphold the shared principles and values that underpin Australian society.

LANDSCAPE

Australia is a mega-diverse country, with its land-size providing a great variety of natural landscapes. There are deserts in the centre, tropical rainforests in the north-east, and mountain ranges in the south-east.

COST OF LIVING IN AUSTRALIA FOR INTERNATIONAL STUDENTS
